Given to Fly – The Pearl Jam Experience is a standout tribute that recreates the raw-power drive, explosive vibe, and soulful sound of Pearl Jam with passion and sincerity. Lead singer Bob Donahue's voice is strikingly like Eddie Vedder's with its rich tone, occasional growl, and storytelling quality, and the band nails the grungy Pearl Jam sound. From Pearl Jam's iconic 90's hits to their newer material, Given to Fly ignites stages with its talent and authenticity. Given to Fly – The Pearl Jam Experience: Voted #1 tribute band in the Capital Region of New York, promoted on social media by Pearl Jam.
